

OPTIONAL ADAPTER AND JOINING HARDWARE KITS

Shown below are the aluminum NPT threaded inlet/outlet flange adapters and hardware kit and the connecting hardware kit. For the first configuration shown below, order a quantity of 1 of the inlet/outlet flange adapter hardware kit. For the second configuration, order a quantity of 1 of the connecting hardware kit. For the last configuration order a quantity of 1 of the flange adapters and hardware kit and 1 of the connecting hardware kit. If it is preferred that the valves not be assembled together order a quantity of 2 inlet/outlet flange adapters and hardware kits.

Pipe Size (ins.)	Inlet/Outlet Flange Adapter Hardware Kit	Connecting Hardware Kit
3/4"	R951-3405-FK	R951-3405-CK
1"	R951-3428-FK	
1 1/4"	R951-3489-FK	
1 1/2"	R951-3551-FK	
1 1/4" (High Flow)	R951-3489-HF/FK	R951-3489-CK
1 1/2" (High Flow)	R951-3551-HF/FK	
2"	R951-3587-FK	
2" (High Flow)	R951-3587-HF/FK	R951-3587-CK
2 1/2"	R951-3645-FK	
3"	R951-3685-FK
