

# NOMENCLATURE

## COMPRESSOR IDENTIFICATION

Each compressor is identified by nomenclature as shown below. The nomenclature is printed on a data plate which is located next to the oil pump as shown in Fig. 1. When contacting the factory or ordering renewal parts, include the complete Nomenclature, Serial Number, and Date Code. Be sure these numbers are copied accurately.

|          |    |                            |        |                       |                         |            |  |                 |  |  |  |
